

# Flexible EL Demonstration Unit

Manufactured from  
Advanced Screen Printing Process

ASP-EL-DEMO1000

*One Step Closer to....  
Printable & Flexible  
Electronics*

**ASP-EL-DEMO1000 \$99.00  
+ Shipping & Handling**

A sample sized flexible EL unit is available for purchase from DKN Research (\$99.00 - includes wiring and connectors). This sample will allow you to better understand the capabilities from these flexible EL devices and assist in designing your own flexible EL panels. This sample needs an appropriate power source to operate. (Not included in this unit.) DKN Research provides a suitable power source.

**Please feel free to contact DKN Research for more information.**
